

## Grupo Sports World announces the start of operations of club number 40, SW Xola

**Mexico City. Wednesday, September 17, 2014 – Grupo Sports World, S.A.B. de C.V.** (“Sports World”, “SW”, “the Company”, or “the Group”) (BMV: SPORT), the leading operator of family fitness clubs in Mexico announced today the opening of club number 40, Sports World Xola.

The new club is located within the commercial complex of the iconic Torre Axa, previously known as Torre Mexicana, in one of the areas in Mexico City recognized for having a high population density, strong demand for fitness services, and an attractive combination of office and residential areas.

SW Xola is part of the chain’s group of family clubs and constitutes an attractive and innovative offering for the whole family. The focus on innovation, health, service, and client care are some of the competitive advantages that contribute to Sports World being able to offer its clients greater value added.

The SW Xola club required an investment of more than \$40 million pesos and will contribute to creating more than 50 direct jobs.

Sports World is thus consolidated as the largest chain in Mexico with 40 clubs currently in operation (including the Tijuana club, which has a shared operation agreement with a third party and does not operate under the Company's brand), and another 3 clubs under construction and in pre-sale of memberships, for a total of 43 clubs.
